Welcome

JAY COUNTY
CHAMBER OF
COMMERCE

BOWEN
CENTER
Mental Health & Addiction Recovery

We're the Hope.

As the largest Community Mental Health Center in Indiana, our mission is to strengthen our communities and to improve the health and well-being of those we are privileged to serve. We use evidence based practices that treat the whole person. Our team of board-certified psychiatrists and psychologists, highly trained and certified therapists, nurses, and case workers deliver comprehensive care and treatment for mental health conditions.
